HOT SESSION

THE TECHNOLOGY OF INDEPENDENT CONTENT PRODUCTION – BRAVI

Chair: Celso Araujo- Director Cinema/SET- Director LINK Multisserviços Eletroeletrônicos

The independent content production is increasingly present in various display modes. And only an excellent script, direction and actors are not enough for the success of an audiovisual work. In this panel producers will discuss the technological challenges for the production and delivery of content in multiple screens.

- Speaker: Tiago Mello - Partner - Boutique Filmes

- Speaker: Sabrina Nudeliman Wagon - Diretora e Co-fundadora da ELO COMPANY

- Speaker: Marcio Yatsuda - Presidente da Movioca Content House
